Dear Brothers & Sisters

The Archbishop's of Canterbury and York have made the bold, but important, decision to put public worship on hold during the Coronavirus emergency. Because of this we won't be meeting together for corporate worship until further notice. All church led groups will also be suspended until the crisis is over.

While our buildings are shut, our church family is not. We must continue as the church of Christ. If it is safe to do so (i.e. individuals without symptoms) please continue to meet for prayer in twos and threes. Continue to pray individually and to worship at home.

There are some ways we can help the vulnerable in our church. If you can help someone in a practical way (i.e. shopping, cooking a meal, taking to the bank etc) please let me know ([Clive](#))

If you need help personally then please contact me, as I will be co-ordinating volunteers help you.

On Sundays you may want to stream a live service and take part in the worship. I recommend Holy Trinity Brompton's services which are available at 11:30am on Sundays [Holy Trinity Brompton Sunday on Line](#). Services will also be on television. Early worship on BBC1 & ITV and on TBN (Freeview 65 / Sky 582) or Hillsongs TV (Sky 595)

During the week apps such as youversion or wordlive can be helpful to connect with God. For those of you with older children I recommend this resource, [Biblesociety explore-the-bible-youth-edition videos](#) and the app game "The Guardians of Ancora". For younger children VeggieTales (Netflix) and Superbook (Amazon Prime & Youtube) will keep them engaged with the Bible.

Yours in Christ
