

CHURCH AT HOME

Issue 38: January 23rd 2021

Welcome, brothers and sisters to the thirty-eighth edition of "Church at Home".

We had our first online service last week. Thank you to the over 50 people who joined us. I hope you were able to worship our Lord even though it was a strange, new experience. Do join us at 9am tomorrow for a more traditional service, the login information is on page 3.

We are beginning to see the first signs of spring popping up and this, of course, reminds us of new life and new beginnings. Spring is the season of hope that encourages us to look to our creator in thanks and praise.

Follow the guidance, encourage each other, pray and stay safe.

Rev Clive

P.S. Thank you to whoever left a very special gift for our family this week, it was much appreciated.

Using Zoom

Zoom is a computer application that allows groups of individuals to interact with each other remotely. We will be using it for our online services. Even if you have limited experience with using computers following this guide will help you to join us.

What you need

- A computer with an internet connection or a smart phone.**
- The Zoom Application (app). Also called Zoom client.**

Also helpful: -

-A Video or Web Camera (most modern devices have this built in). If you don't have a camera then you will be able to see others but they will be unable to see you.

-A microphone if you are using a computer. Again, most modern computers will have a microphone built in. If you don't have a microphone, others will not be able to hear you.

How to get the Zoom Application

Go to <https://zoom.us/download> and click the blue "download" rectangle under the title "zoom client for meeting" and follow the installation instructions.

When you have done this you should see the zoom icon on your computer or smart phone.

How to join an online service

Open the zoom application by double-clicking on a computer or selecting on your phone.

Click / Select "Join Meeting"

You now have to enter some information.

Firstly, the **zoom meeting ID**. This is like a phone number to the host of the meeting. You can find this on our online schedule (page 3 of Church at Home)

Secondly, you will need to type in our **password**. This is currently **"Paul"**. You will now be given some options such as if you want to join the meeting with your camera (if you wish to be seen by others) or without (if you just want to observe the service).

Song: So Will I

<https://www.youtube.com/watch?v=C2U7ffUM5Ec>

(can be sung or listened to)

Reflection time:

What was the last thing you got really excited about? Apart from Christmas! What got you so fired up that you had to rush to tell someone else about it? Or share it on social media? Talk together about what those things were and how they made you feel.

Bible passage: Read Together John 1:43-51

And / or watch

<https://www.youtube.com/watch?v=vlr0SRdOgQQ>

Jesus finds Philip and Philip's first reaction is to run and share his news with his friend Nathanael (who is also known as Bartholomew) he cannot keep this exciting news to himself. The video adds a bit of detail of Nathanael under the fig tree praying. The Bible does not describe that event, but something must have happened for Nathanael to have reacted in the way he did. The Bible has not got enough space to add all the details but in our imaginations we can consider the reactions of the disciples as they realise just how amazing Jesus is.

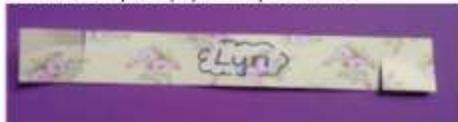

I wonder what Jesus had said or shown to Philip to make him so excited. Nathanael immediately calls Jesus the Son of God. That must have been a very special meeting. These men then spent the next 3 years following Jesus and then the years after that sharing the gospel with others.

The Bible has very little detail, but church tradition says they both died for their faith. Nothing would stop them telling others about Jesus.

Interactive Learning.....

Jesus sent his disciples out to be 'Fishers of Men,' to share His love with the people they met.

Cut some strips of paper – try 10x2cm.

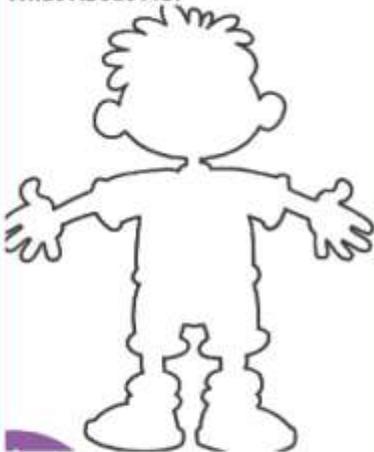

Write on it the name of a person or situation you would like to pray for. Maybe someone you know who does not know Jesus yet? Cut slits near to the ends of the strip as shown above.

Fit the slits together to make a fish shape. Hold the fish high in the air and let it go. As it gains momentum you will see it start to spin! Make as many as you can!

With thanks to Mina Munns at Flamecreativekids.

What About Me?

Give each person a copy of this outline or draw your own. In it write or draw how you can be part of God's plan like Philip or Nathanael.

Did you try the Risk It Challenge?

We challenged you to Risk It over Christmas. If you managed it then set yourselves a tougher challenge this week. If not start today. Think of a challenge like "say to 3 people this week that God cares for them too." Share your excitement in Jesus with friends or family. Think of other ways to share your faith & love in Jesus.

Whilst creating chat about the following questions & share stories.....

- What does it mean to be a disciple?
- I wonder how people know that you are a disciple
- What part of God's plan can you help with?
- Who has helped you know Jesus? Who has been your Philip?

Reflection & Prayer Time.....

Song: I am a City on a Hill

https://www.youtube.com/watch?v=mNd22xG4_14

Using the song above consider how your actions can change your world. Ask God to show you how to be a better disciple. Share the answers together and pray for each other that God will use you all wherever you are.

Other prayers can be said at this time, concluding with the Lord's Prayer

The Lord's Prayer

Our Father in heaven,
hallowed be your name,
your kingdom come,
your will be done,
on earth as in heaven.
Give us today our daily bread.
Forgive us our sins
as we forgive those who sin against us.
Lead us not into temptation
but deliver us from evil.
For the kingdom, the power,
and the glory are yours
now and for ever.
Amen.

Celebration....

If any of your members celebrate a birthday within the next week – sing

Happy birthday to you
To Jesus be true
May God's richest blessings
Be showered on you.

Closing.....

The Grace (with "Messy" actions)

May the grace of our Lord Jesus Christ,
and the love of God,
and the fellowship of the Holy Spirit
be with us all,
now and evermore. Amen.

Song: There is Power in the Name of Jesus

<https://www.youtube.com/watch?v=gYa2PYZoo5g>
(can be sung or listened to)

Reflection time: Play a game of "Simon Says" or Sevens Clapping Rhythm (an example can be found here) <https://www.youtube.com/watch?v=Zdy-0kjN2Rg>

Share together and wonder "Did I prefer to be the leader of the follower and why." In today's bible reading, Mark begins this passage with a demonstration of Jesus' authority. Jesus was different from those who usually spoke in the synagogue (temple/church). When Jesus interpreted the passage he read, he did so with authority—so much authority that the people noticed how different he was from the normal teachers of the Law. The people were amazed when they listened to Jesus teach because he was so wise. Share with each other the following:

What do you think made Jesus so good at teaching about God?

Bible passage: Read Together Mark 1.21-28
AND/OR WATCH [Jesus Heals a Man with an Unclean Spirit - YouTube](#)

Jesus, we already know, had God's power and He shared the Good News of God's love for humankind. We see this often within the Bible. Jesus used God's power to heal the man who was sick. We may not be sick like that man but in our lives' there are also many things that can overpower or dominate our thinking: friends &/or family relationships, fear, politics, social media, TV. We can sometimes feel that we are not in control. Jesus was there, teaching in a way that only the Holy One of God can and when the unclean spirit reveals himself it is cast out by Jesus. He teaches about the need to let go of control and trust God. We know that we too can trust Jesus to be with us when circumstances feel they are overpowering us and know that He will act in power.

Word Clouds

Reflect on the Psalm 111 – what verses or words stand out to you. Using a word cloud App such as

<https://wordart.com/create>

Create a word Cloud, print, and place in a prominent place to remind you of God's unfailing love, his power & how we can trust him in all areas of our lives.

Power Pillows

Resources Needed: 2 index cards or pieces of card 4x6" and one 18-inch piece of wool or string, tape, pen/pencil, cotton balls, hole punch.

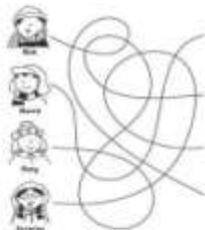

NOTE - If you would like to write a bible verse or something that reminds you of God's power write it on the cards **BEFORE** you sew them together.

Place the 2 pieces of card together, and punch holes about an inch apart around the outside edges of the cards. Wrap tape around one end of each piece of wool/string and sew the 2 pieces of card together around 3 sides using the holes. Place into the pillow the cotton wool and sew up the remaining side.

Line Jumble

Jesus wants to meet with us, be involved in our lives and unjumble the parts that have become messy. On a sheet of paper place the names or pictures of the people who you are gathered with down the left side and down the right side randomly place words or situations they would like Jesus to help with. In between draw lots of jumble lines but make sure the line coming from a name ends up at the right situation. Make several and let different people solves the line jumbles!

With God's guidance and love alongside those around us, we can clean up our messes just like Jesus did in today's bible story.

Tug of War

Play a tournament of Tug of War. The more mismatched the opponents the more this will illustrate power and dominance!!

Create A Meme

Learning about something that makes you rethink a previous perspective, make a connection to your life, your friends, current events. Work together to think about ways to apply what you have learned about Jesus authority to the real world. Then, create an original meme! <https://imgur.com/memegen>

Whilst creating chat about the following questions & Share stories.....

- In what other stories about Jesus can we learn about how he treated people?
- What can we learn from Jesus' attitude of not abusing "power"?
- I wonder how we can put these examples of Jesus into practice this week.

Reflection & Prayer Time.....

Song: Light of the World

Encourage members to read silently or aloud their prayers. Other prayers can be said at this time, concluding with the Lord's Prayer

Sue & Martin Bray

An update from our mission partners in Lille, France

Greetings from Lille and very best wishes for 2021. For us, as I am sure for all of you, 2020 was a difficult year. A lot of activities were cancelled, we haven't been able to see family and friends as much as we would like, and we've had to change our routines and develop new skills. Since our summer newsletter we have had another lockdown and are now under an 8pm curfew.

Church has also been difficult, what with online services during lockdown and then services in Church with masks, no singing, everyone spaced out and no coffee afterwards. In between two lockdowns at Christ Church, we managed to baptise Mark (previously Mohammed) from the Lebanon, and ask that you pray for

We started morning services again at Christ Church on 20 December and are starting evening services in church again today (10 January). Obviously, for an international church, we have fewer people as there are not so many international students, language assistants etc. in town with the current restrictions. Also, some of our usual congregation live over the border in Belgium where travel is limited. We've had to move the time forward to 6pm on account of the 8pm curfew.

In our French church, morning services in Church are happening, but with the official restrictions, so they are also livestreamed on Facebook for those who don't wish to attend, particularly the many older members.

Christmas was also different this year. We had hoped to visit Brenda, Sue's Mum, in England, but the borders closed at the wrong time. However, we enjoyed Christmas day with Younesse (who stayed with us for the holidays and is still present every weekend), Eli, Morgan and Nguyen (a Vietnamese

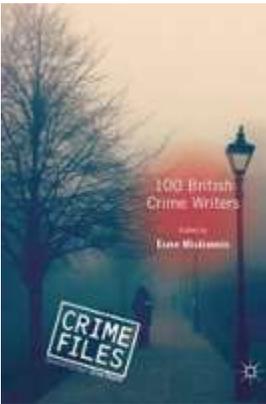

student who sometimes comes to Christ Church).

Life is quite tricky for the international students who are here as the authorities are very slow with producing residence permits (which need to be renewed annually) and they all need quite sophisticated computer equipment to follow classes online. As they can't work until they have valid residence permits, this means some, including Eli, are very short of money and need support. The job situation is also precarious. Max has found a job, but Morgan and Mei (our Taiwanese friend) are both without jobs at the moment, which is very tricky for them.

Brexit is also complicated. We have had to apply for long-term residence permits. We have sent in all our papers but so far have no news from the relevant authorities. Brexit also means that Marks & Spencer's has a lot of empty shelves! More seriously, the UK leaving the Erasmus programme will seriously impact both student exchanges and international research projects.

Work is also different – university activities are all online at the moment, although we are allowed to go into our offices once or twice a week. For the first half of the autumn semester, lectures were online and seminars in person with one student for every two seats. Martin's teaching at the agricultural college is hybrid – half in the classroom and half online. For both of us, open days, careers advice, meetings etc. are all online.

As online teaching is more time-consuming than in person, we haven't had time to do as much writing and translating as usual. However, Suzanne and various friends wrote chapters for this book about ten years ago and it has just been published!

In any case, research at the minute is not so easy as most archives and libraries are closed.

As for the future, we don't know what will happen this year. Our lives, our churches and the whole world are in

the hands of God. Pray that we will have the wisdom to know what God wants us to do in each situation.

With best wishes from

Martin and Suzanne

Gift Aid Guide

From our Gift Aid Secretary, Dot Turner.

Can I make a plea regarding your donations to St Paul's and how you make them? One or two things you should know.

1) If you pay tax, and have signed a Declaration, then we can reclaim the tax you have paid on your donation. Last year we claimed back £11,400, so you can see it's worth doing.

2) We are also able to claim tax back on cash donations of under £30 (previously £20) under the Gift Aid Small Donations (GASD) scheme. Last year this amounted to about £7,600. (We can't claim more than £8,000 p.a. by this method).

Because of the lockdown, many of us have changed the way we give. Several now give by Standing Order, whereas before might have used the yellow envelopes or put cash in the plate. This can mean the amount of tax we claim back is less. You can help as follows:

- If you have signed a Gift Aid Declaration (which says you are willing for us to claim back tax paid on all donations), then any extra that you give (in whatever form) must have your name on. (e.g. if you give a lump sum in cash – put in it an envelope with your name on).

- If you pay tax, please consider Gift-Aiding if you have not done so already. There is a form on the back of this Church at Home. Return it to Dot Turner, Charles Brooke or Clive. You can also scan it and send it to Dot at djturner@talk21.com

- If you do not pay tax, and when you're able to come to church, the best way is to put cash in the offertory. HOWEVER, we must not be able to identify anything over £30 as coming from one person (e.g. in one envelope or with an elastic band round it), SO, either put it all loose in the collection, or in separate lots of £30 or under. (We are unable to claim back tax on cheques or BACS transfers if you have not signed a Declaration).

- We have recently had donations to Mission, Food Bank, etc. coming through the offertory. If this is the case, please identify the giver. If that person has not signed a Declaration, it would be good if it were in lots of under £30 !!

Thanks for reading this and considering how you give to St Paul's. Please rest assured that all giving is totally confidential, only known to Dot Turner (who makes the claims to HMRC) and Charles Brooke.

If you're feeling overwhelmed this week, you are not alone.

The week supposedly began with 'Blue Monday', seen as the most depressing day of the year, let alone in a time of pandemic.

Whether it really was the most depressing day of the year or not, what is certain is that we have access to a good and caring Father who promises to be with us each and every day. We can call out to Him at all times and in all seasons and bring all our needs to Him.

It's a strange time for the UK, as we feel both sorrow and hope. We've experienced a record number of COVID-19 deaths reported in one day; meanwhile, four million people have now received their first dose of a vaccine. For many, getting the vaccine and seeing an end to the virus still feels like a distant hope. Let's pray for those who feel hopeless. Let's pray for those who face bereavement, that they would seek the God of all comfort.

Let's cling onto the ultimate hope found only in Jesus, as we face the pain of this season. Let's do what we can to use the opportunities before us, to serve and reach out to others with His hope.

You may have seen my piece on in The Times on Saturday reflecting on the last four years as a British evangelical. If you missed it you can read it on the [website](#). Please do join me in praying for our brothers and sisters over the water as they welcome in a new president and a new era for the US.

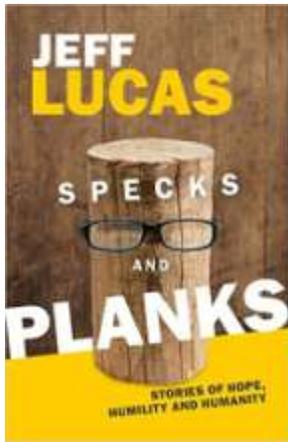

In the past week, as I've called many church leaders, I have been so encouraged in praying for them and having that one-on-one connection. Let's keep helping one another and building one other up in Jesus.

Every blessing,

Gavin Calver CEO

Books

This week's book suggestions come from Eden.co.uk

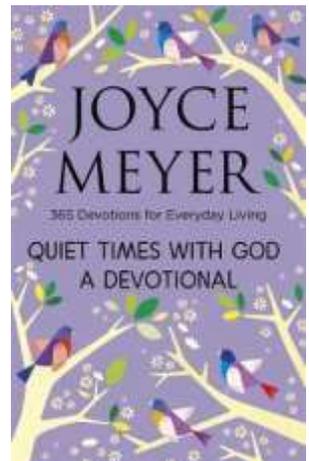

Specks And Planks by Jeff Lucas

Written in the same style as *It's a Dog's Life* and *The Cactus Stabbers*, Jeff provides us with more tales from his life and travels as a pastor. In a finger-pointing culture of focusing on the foibles and failures of others, we become blind to our own flaws and faults. Using a famous biblical metaphor, we go hunting for specks in other people's eyes, while ignoring the huge plank in our own. This collection of stories is designed to challenge, inspire, express vulnerability, show more kindness and be less swift to judge.

Quiet Times With God by Joyce Meyer

Life is busy and often uncertain, but you can live in the full peace of God with this easy-to-understand devotional designed to encourage you each day of the year. This includes a daily Bible verse followed by a devotional reading and power thought to meditate upon. With the constant demands and pressures, it can be hard to regularly take time to unplug and simply be with God. But Joyce's practical teaching format in *Quiet Times with God* will encourage you to discipline yourself so that you can receive the fullness of God's healing, revitalizing peace.

Forgiving What You Can't Forget by Lysa TerKeurst

Have you ever felt stuck in a cycle of unresolved pain, playing offenses over and over in your mind? You know you can't go on like this, but you don't know what to do next. Lysa TerKeurst has wrestled through this journey. But in surprising ways, she's discovered how to let go of bound-up resentment and overcome the resistance to forgiving people who aren't willing to make things right.

Dot & John Turner

The 1000-piece jigsaw that John and I did over Christmas. Great Fun.

Elaine Fermer

I have been reading these two books. The Alice network by Kate Quinn. This is around a little-known Historical figure Louise de Bettignies and her Courage and resourcefulness. Some of the book is loose fact that are explained at the end of the book. Very intriguing and it gripped you till the end. Over hill and Dale is by Gervase Phinn it is light reading about a school inspector. I found it amusing and reminded me of school and how they used to work.

Poets Corner

A Famine Poem

And people stayed home
And read books and listened
And rested and exercised
And made art and played
And learned new ways of being
And stopped
And listened deeper
Someone meditated
Someone prayed
Someone danced
Someone met their shadow
And people began to think differently
And people healed
And in the absence of people who lived in ignorant ways
Dangerous, meaningless and heartless,
Even the earth began to heal
And when the danger ended
And people found each other
Grieved for the dead people
And they made new choices
And dreamed of new visions
And created new ways of life
And healed the earth completely
Just as they were healed themselves.

NOTES

Please notify the charity if you • Want to cancel this declaration

- Change your name or home address
- No longer pay sufficient tax on your income and/or capital gains.

Gift Aid is linked to basic rate tax. Basic rate tax is currently 20%, which currently allows charities to reclaim 25 pence on each pound donated.

Higher rate taxpayers can claim back the difference between basic rate and higher rate or additional rate tax.

If you pay Income Tax at the higher or additional rate and want to receive the additional tax relief due to you, you must include all your Gift Aid donations on your Self-Assessment tax return or ask HM Revenue and Customs to adjust your tax code.
