The Church of England has a target to reach net zero by 2030. This year, an energy audit of our church has been done. Copies of the report are at the back of the church. You are welcome to take one.

Would you be interested in joining a committee to agree a way forward for St. Paul's to reach the target? If so, please contact the church office or speak to Charles after the service.

YOUR CHURCH NEEDS MORE HELPERS!

We would welcome more readers for the Sunday services, and people to lead prayers at the 10.30am service.

Have you ever thought about helping St Paul's by being on one of our rotas?

There is a need for more people to get involved with the following rotas: Greeter, Steward and Coffee after the 10.30am service.

If you are available to help at Coffee Call on Wednesday mornings, please could you let Grace Allan know. You would need to be available from 9.45am until about 12.30pm. If you want to know more, please see Charles or contact the church office.
